- He took his time explaining and was patient with the students. He carefully went through every important topic needed and did it with great attitude

- Great class great instructor

- Prof. Rajveer Jat has demonstrated excellent teaching skills and deep academic knowledge during this semester. He not only possesses solid knowledge of economics, but also has the ability to impart complex concepts to students in a concise and easy-to-understand manner. In the classroom, he stimulated students' interest and encouraged them to actively participate in discussions and reflections through vivid case studies and his own research methodology in agriculture.

- The Instructor's class notes are clearly written but I think they are too generalized. It should summarize some of the heavy content. I think it would have been better.
