- Thank you teaching us Econ 107 empirical problems, state and a little bit about Python machine learning. I will definitely use one or more of those skills in the future. Good luck on everything.
- The instructor did a good job of intuitively teaching the material, so as to be understood at a proficient level.
- Rajveer was a great TA. He was very knowledgeable with the use of STATA and how to solve econometrics problems. His guidance during our lab sessions was very helpful and instrumental in my success as a student in this course.

- Enjoyed having lab with Rajveer! Super helpful and clear with his instructions. Organized and makes things more simple especially because I'm bad with computers
